I don't even know your name
But I love you just the same
If you let me hold your hand
Then I think maybe I can make you understand

If you only, only knew
Just how much I love you
Loving you the way I do
Then you'd take the night to love me too

I'd like the picture on the wall So please don't let me fall It's my heart I'm thinkin' of So please, please accept my love

If you let me be your slave Your love I'll cherish to my grave And if you should die before I do I'll, I said I'll, I'll end my life to be with you
