

## Someday Baby

B.B. King

Don't care when you go  
How long you stay  
But good kind treatments  
Will bring you back someday  
But someday baby  
I ain't gonna worry my life anymore

Aw, but one thing  
Really give me the blues  
When I wore a hole  
In my last pair of shoes  
But someday baby  
I ain't gonna worry my life anymore

Just keep on a-bettin'  
About the dice don't pass  
You're gonna leave here runnin'  
Almost too fast  
But someday baby  
I ain't gonna worry my life anymore

Don't like everybody  
In my neighborhood  
I got a no-good woman  
She don't mean me no good  
But someday baby  
I ain't gonna worry my life anymore
