

# You Know I Go for You

**B.B. King**

Oh baby  
Babe, you know I go for you  
Oh baby  
Babe, you know I go for you  
Aw, not because you dress so fine  
Babe, but the little things you do

Oh, you're my all-day steady  
Babe, you're my midnight dream  
Oh, you're my all-day steady  
Babe, you're my midnight dream  
Oh, and without you, baby  
Life ain't no good to me
