

# Heartbreak

B5

[Sukiyaki:] it's all because of you  
I'm feeling sad and blue

[Patrick:] Everybody thinks of me as a player  
Got em going up and down like elevators  
Wish they only knew (but they dont know)  
I got some friends but we just kool (she's just a friend)  
All the girls only hear the worst about me  
I do my thing but I dont mean to hurt nobody  
That's just how I do (that's how I do)  
But this one chick cut right through

[Carnell (B5): repeat twice]  
Never had a heartbreak (heartbreak)  
No way (no way)  
Not me (not me)  
She's officially the first to say  
No (no)  
Woah (woah)  
Oh (oh)  
No (no)

[Sukiyaki:] it's all because of you (you did it)

[Patrick:] I can't even lie I kinda had some feeling  
But when she talked to Tiffany she hit the ceiling  
And then she ignored me no girl has done me this way (oh no)

[Carnell:] if I'm a playa then why do I feel this pain  
I wish I never fell for her my first heartbreak  
Congratulations you stole my heart away

[Carnell (B5): repeat twice]  
Never had a heartbreak (heartbreak)  
No way (no way)  
Not me (not me)  
She's officially the first to say  
No (no)  
Woah (woah)  
Oh (oh)  
No (no)

Break it down Patrick

[Patrick:] she couldn't take no more  
She said she gotta go  
But she doesn't even know  
Any Minnie, miney, moe  
She left me at the door  
Through up the whole show ?  
I keep it on the low  
Now everybody know

[Carnell (B5): repeat til fade]  
Never had a heartbreak (heartbreak)  
No way (no way)  
Not me (not me)

She's officially the first to say  
No (no)  
Woah (woah)  
Oh (oh)  
No (no)
