In My Bedroom

Sittin in my (2x) [Verse 1:] Never been known as a player (player), but aint nobody gon say (that I aint had my share) But we dont even gots to go there now, you were so contagious Always lookin famous (famous), you took my heart i swear (thats how it is) Never saw it comin wen u said u was gone ooooh girl (ohhh) [Bridge:] But it was all about love Never thought that you'd switch it up Never knew how it felt But i cant take it [Chorus:] Im sittin in my bedroom, Tryna get over you Hopin you still think about me Got me sittin in my bedroom Tryna get over you But i cant stop thinkin bout the one i know i cant do without [Verse 2:] All my friends they told me That u was bound to show me that you's a gold digga didn't even know but i know that my heart is so torn up that i cant i stand it so mixed up but i still let it get to me siad i aint goin out like that but hear i stand [Brigde:] But it was all about love Never thought that you'd switch it up Never knew how it felt But i cant take it [Chorus:] sittin in my bedroom, Tryna get over you (get over you) Hopin you still think about me Got me sittin in my bedroom Tryna get over you But i cant stop thinkin bout the one I know I cant do without [verse 3:] u play with mu heart girl and i dont understand why still in my eyes you are the girl i want to be in my life [Chorus (2x)]

sittin in my bedroom, (sittin in mi bedroom)
Tryna get over you (tryna get over you)
Hopin you still think about me
Got me sittin in my bedroom (ohh sittin in my bedroom)
Tryna get over you
But i cant stop thinkin bout (thinkin bout)
the one I know i cant do without

I cant be without you baby (i cant be without you) (2x)
