

Do You Know Me

Babyshambles

Do you know me? I don't think so!
Do you know me? I don't think so!
Try romanticize a dark and gloomy past
Trying to escape from the underclass
You darkened my bright and beautiful day
You're breaking my heart in every way
And tell me everything is dandy and fine
You're no friend of mine

I took you in and you stole from me
But you still got everything I need
You're walking so tall, you're looking so mean
You're walking so tall, man, you look so mean
But you tell me everything is dandy and fine
You're no friend of mine

Oh they think they know you
Yeah they think they know but they only see one side
They say they know you but how can they know you?
They dont see the Jekyll they just see the Hyde

Do you know me? I don't think so!
Do you know me? I don't think so!
Why try romanticize a dark and gloomy past
Trying to escape from the other class
You darkened the bright and beautiful day
You're fucking up my life in every way
And tell me everything's dandy and fine
You're no friend of mine, you're no friend of mine
But it will change in about five minutes time
You good friend of mine
