Backstreet Boys

But all I wanna know is where the party at [2x]  
Let's have a party [2x]  
(But all I wanna know is where the party at)  
Everybody  
Let's have a party  
(But all I wanna know is where the party at)

I've been watching you  
You've been watching me  
Let's stop playin' games girl  
Come and dance with me  
Don't you hear the music  
Don't you feel the groove yeah  
Come on girl get on the floor  
I wanna dance with you  
(But all I wanna know is where the party at)

Let's have a party  
Everybody, throw your hands up in the air  
Let's have a party  
I like the way you swing yeah  
(But all I wanna know is where the party at)  
Everybody  
Girl you know, mmm, you're lookin' good  
Let's have a party  
Girl you gotta work that body  
(But all I wanna know is where the party at)

Girl I must be dreamin'  
To have a night like this  
Holdin' hands bein' close  
Sharin' our first kiss  
You really blow my mind  
I can't believe it's true  
I've been waiting all night long  
To get a girl like you  
(But all I wanna know is where the party at)

Let's have a party (shake it baby, shake it)  
We're movin' to the groove yeah  
Let's have a party  
All the fellas and the honeys get on the floor  
(But all I wanna know is where the party at)  
Everybody  
Cuz we're gonna have a party  
Let's have a party  
So everybody can enjoy yourself with me  
(But all I wanna know is where the party at)

Welcome everybody  
To the party  
Don't forget the honeys  
The mad fun has just begun at the party, yo  
Give a call or beep  
And make sure your girl ain't creepin'  
It's time to get it on  
The dance floor

You want more than what you came here for  
I see you lookin' at me  
Across the dance floor  
I wish for that sweet little kiss  
Don't be no Cinderella  
And go poof after midnight  
Uh yeah

But all I wanna know is where the party at [5x]

Let's have a party (shake it baby, shake it)
