

New Love

Backstreet Boys

Oh yeah
Oh, oh, oh yeah
Oh, oh, oh, oh yeah

Who are you please
My sexting got no rules
Got a million options next to me, yeah
Let me do what I do

And I call it new love, new love, new love
And I call it new love, new love, new love
And I call it new love, new love, new love
Ne-e-e-ew love

She used the wrong thing
'Cause it don't feel like the wrong thing (Oh yeah)
I stay on my own thing
Then I be in a long thing

And I call it new love, new love, new love
Oh, oh, oh yeah
Oh, oh, oh, oh yeah
Oh, oh, oh yeah
Oh, oh, oh, oh yeah

I won't know if you roll over me
In any dark room
And I don't wanna know your name
Just let me do what I do, oh yeah, baby

And I call it new love, new love, new love
And I call it new love, new love, new love
And I call it new love, new love, new love
Ne-e-e-ew love

She used the wrong thing
'Cause it don't feel like the wrong thing (Oh yeah)
I stay on my own thing
Then I be in a long thing

Yeah, it's only lovin' unofficial
No expectations, only healing now
Baby, we're in this state together
You and I don't feel like the wrong thing, yeah (Oh yeah)

She used the wrong thing
(Oh, oh, oh yeah)
'Cause it don't feel like the wrong thing (Oh yeah)
(Oh, oh, oh, oh yeah)
I stay on my own thing
(Oh, oh, oh yeah)
Then I be in a long thing
(Oh, oh, oh, oh yeah)

And I call it new love, new love, new love
(Oh, oh, oh yeah)
And I call it new love, new love, new love

(Oh, oh, oh, oh yeah)
And I call it new love, new love, new love
(Oh, oh, oh yeah)
'Cause it don't feel like the wrong thing
(Oh, oh, oh, oh yeah)
