Backyard Babies

If you wanna do it, baby, you can do it right
If you wanna do it, baby, you can do it right

I'm letting all my conscience go
I like it better if you do
(If you wanna do it, baby, you can do it right)
I wanna have you tight
I wanna make it feel like you've been up all night
'Cause I won't have a complicated life
(If you wanna do it, baby, you can do it right)
Please, please, please don't save or rescue me
Or let it be more less than me
My heart ain't breake my dignity

I feel the ----- in my mind
(If you wanna do it, baby, you can do it right)
But I let me shoot you from behind
(If you wanna do it, baby, you can do it right)
I wanna see your face
I wanna look at all the -----
'Cause I belive it's time that I'll get real
(If you wanna do it, baby, you can do it right)
Please, please, please don't save or rescue me
Or let it be more less than me
My heart ain't breake my dignity
Please, please, please don't save or rescue me
Or let it be more less than me
My heart ain't breake my dignity
Well, I'm breaking up from all the plans
I'm kicking out the -----
(I do, for me, fuck you!)

I owe a favor to myself
(If you wanna do it, baby, you can do it right)
We open doors to let you live
(If you wanna do it, baby, you can do it right)
And it's taking over me
It's a liboration -----
(If you wanna do it, you can do it right)
If you wanna do it, baby, you can do it right x7
Please, please, please don't save or rescue me
Or let it be more less than me
My heart ain't breake my dignity
Please, please, please don't save or rescue me
Or let it be more less than me
My heart ain't breake my dignity
