

White Light District

Backyard Babies

I got a feeling it ain't right
To turn your back against the light anymore
I didn't come this far to run
I have fought for love and son
I'm like a homebound train

Not all gods die
Walking down the white light district
Not all gods die
I don't wanna wake up when I'm dead
I'm gonna light it up, light it up
Let it go
Light it up, light it up, baby
Not all gods die
Walking down the white light...
District

With all the miracles aside
We wrote our history with nothing but pride
Many chances passed me by
I'm forever lost and found
But now I'm homeward bound

Not all gods die
Walking down the white light district
Not all gods die
I don't wanna wake up when I'm dead
I'm gonna light it up, light it up
Let it go
Light it up, light it up, baby
Not all gods die
Walking down the white light...

Haters, users, winners, losers
Are you with me now?
Strangers, breathers, bangers, feeders
Are you with me now?

Not all gods die
Walking down the white light district
Not all gods die
I don't wanna wake up when I'm dead
Not all gods die
Walking down the white light district
Not all gods die
I don't wanna wake up when I'm dead

I'm gonna light it up, light it up
Let it go
Light it up, light it up, baby
Not all gods die
Walking down the white light...
District
