Word on tha streets, see it ain't nobodies business Secret to keep, so keep heat, in case things get deep Peace box is where it starts, scarred flesh and broke hearts Since a kid, this is how we live

Ain't nuttin' to look forward to schools full of devils The church don't work 'cuz all the lies That they tell us, ya'll it'll be hell before we get there Survivin' guns and drugs and see

If you can deal with this germ warfare that's endin' us They AntiChrist, I'm antifair, antivice Antinice, antispice, up your life, I'll make you love it 'Cuz it's real and you bump it 'cuz it's tight

Yeah, people make the world go 'round And it's a gang of us all gathered up in our game colors Man, these my gang brothas, what, you ain't heard of us You ain't never ever heard the word, murderer's

We make the news what it is, you ask what is this We the reason why the police in business So run up on us with your knife and your pistols We'll plague your character with rifles and missils

I dropped my pack and drove my back to the East Side Smash in this coupe with my passenger Snoop

(Dogg Pound Gangstas rip)
Them Long Beach niggas be puttin' it down

Never pause on my feet, I'm D P G, L B C, me and B A D Low ridin' and Navigators foe the haters I take some for now and save some for later Smoke with Coke Loc, a dip with Tip Tip Get heat a chrome plate, a D from Tray Dee

Livin' that D P, give me that S T In a 4 0 a 0 E from my O G And a bag of them ol' hot ass skins Some Colt for this hand And some juice for this gin Ain't no bitch like this bitch I got 'Cuz this bitch I got, clock nots and rocks Money, cheese, paper, fedio get doctor Nedios And stank is steady goin' bangin' that Slangin' that and hangin' that every corner

From up north to Dogg Pound California
 (Dogg Pound Gangstas rip)
You heard of that gangsta ville
The city where they don't talk and everybody C walk
It's a dirty shame but it's a dirty game
And you got to have heart from the start man

Fake snitches and fake bitches
Thats probably why I break niggas and break bitches
Word on the streets Bad Azz is a fool
Then he fuckin' with his homeboy from the old school
 (Dogg Pound Gangstas rip)
Low life gangstas, Dogg Pound Gangstas

Put them all together, man, I love gangstas (Dogg Pound Gangstas rip) Head, shoulders, feet and toes Let's dip to the club and bust some hoes V.I.P. on D P G, Snoop D O double G and the B A D (Dogg Pound Gangstas rip)

Only talk what you know, I never seen you round the Pound So won't you keep the East Side and Deez out ya mouth don't speak on dat, don't bring up Daz and Kurupt Just to say wussup, nigga hit my blunt We keep a money move, hate while we regulate

And get real papes, rich like Bill Gates
While you make it to the Haters Hall of Fame
We'll be whippin' Navigators, winnin' this baller's game
Yellin' Long Beach, niggas, keep puttin' it down
Lowlife and at the Pound while we smoke on an ounce
 (Dogg Pound Gangstas rip)

Steady plottin' on big mail, layin' in the hotel Chop my quarters down to dubs and watch my dope sell I hit Darochee come and scoop me Drop me off and they was Snoopy's, said he puffed a little Play and Shorty played it only twice

Ay, they set a eight beat, it's them and six hoes in a jeep They better go flag em' down in the street Ay, follow us to the spot while the playa hatas pray that we stop
