I Live

Bad Boys Blue

My world. All my walls are broken down.
I don't want to stay around.
Cause I'm leaving you.
Oh girl, Everything I make you do.
Say I try to do for you.
Cause you make me blue.
My world. I left everything to you.
Now I don't know what to do without you.
Oh girl. Now I see it in your eyes.
Cause I feel the things you do to me.
First, you love me, then you hurt me.
Oh, you make me cry.
Crying. Cause you broke my heart in two.

I Live for your love. Oh just set me free.
I Live for your love. Is it real?
I Live for your love. Oh just let me be.
I Live for your love. Cause I need your love to feel.
My world. I left everything to you.
Now I don't know what to do without you.
Oh girl, now I see it in your eyes.
Cause I feel the things you do to me.
First, you love me, then you hurt me.
Oh, you make me cry.
Crying, cause you broke my heart in two.
