

## Matador

### Bad Boys Blue

The sun shines down on the corrido  
All the señoritas sing his name  
The crowd cries "Olé"  
There's blood on the sand  
The matador begins his dance of death  
Eyes only for Maria  
The dance of love  
The hardest fight of all

It's a dance of love  
It's a dance with death  
He conquers the beast,  
But lost her love  
It's a dance of love  
It's a dance with death  
Maria's broken Enrique's heart

His heart burns only for Maria  
He could die today, but he doesn't care  
He's just another fool,  
She's stolen his heart  
Enrique wins, he's the lonely hero  
Tears in his eyes for Maria  
The dance of love  
The hardest fight of all

It's a dance of love  
It's a dance with death  
He conquers the beast,  
But lost her love  
It's a dance of love  
It's a dance with death  
Maria's broken Enrique's heart
