

Show Me (The Way To Your Heart)

Bad Boys Blue

I'm the king of misery
Facing reality
Since you let me down
I'm drowning in my pain and sorrow
But I'm still a dreamer
And a believer too
I'll survive this tragedy
I know love is not an easy game

I'm still in love with you
Oh what can I do?

Oh baby show me the way to your heart
Oh show me your love tonight
Oh baby show me the tears in your eyes
Oh show me you're mine tonight

I'm the king of fantasy
Dreaming so easily
Oh, I know I'll never find
A girl like you again
Every day I live in hope
Waiting for you to call
I'll never give up
Never give up the fight tonight

I'm still in love with you
Oh what can I do?

Oh baby show me the way to your heart
Oh show me your love tonight
Oh baby show me the tears in your eyes
Oh show me you're mine tonight
