

Sometimes

Bad Boys Blue

Before you walk out the door
Can't you change your mind
Open your heart
Give me one more chance
Did you ever stop to think
You can live your life without me?

Sometimes - I love you
Sometimes - I hate you
More and more - confusion
Sometimes - together
Sometimes - no never
These feelings of emotion

When I look in your eyes
I can see you're mine
Pray in my heart
We will never part
Did you ever stop to think
You can live your life without me?

Sometimes - I love you
Sometimes - I hate you
More and more - confusion
Sometimes - together
Sometimes - no never
These feelings of emotion
