

Still In Love

Bad Boys Blue

Loving you is my nightmare
I wake up, you're not there
Hoping you walk through that door
And love me like you did before

So don't let me down
Baby, I need to know

Baby, I'm still in love with you
Don't break my heart
Baby, I'm still in love with you
Don't break my heart

All your words cannot express
My empty feeling: loneliness
You dropped me like a broken toy
All that's left is a lonely boy

So don't let me down
Baby, I need to know

Baby, I'm still in love with you
Don't break my heart
Baby, I'm still in love with you
Don't break my heart
