

# Thinking About You

Bad Boys Blue

I feel the world is spinning 'round  
I feel the rain is falling down  
But I wanna know where are you now?  
Just like a river to the sea  
Your love is flowing away from me  
So I keep on living in the past

So many dreams, so many nights  
And I will never forget your smile  
So many dreams, so many nights  
Yet I've been thinking about you  
Thinking about you, whoa  
Thinking about you now, whoa

Sometimes it's hard but I believe  
Only your love made me complete  
I like to kiss the tears away  
Now I'm with my back against the wall  
The more you believe the harder you fall  
I still keep on living in the past

So many dreams, so many nights  
And I will never forget your smile  
So many dreams, so many nights  
Yet I've been thinking about you  
Thinking about you, whoa  
Thinking about you now, whoa
