

When I See You Smile

Bad Boys Blue

You can make the world go round
WHEN I SEE YOU SMILE.
Make me happy. Make
Me proud. WHEN I SEE YOU SMILE.

Close your eyes. Let me wipe your tears away.
Hate to see you crying,
Crying. What is wrong?
Someone must have hurt you bad.
Push away your sorrows
Don't be sad, so sad.

You can make the world go round.
WHEN I SEE YOU SMILE. Make me happy make
Me proud, WHEN I SEE YOU SMILE.
You can make the world go round.
WHEN I SEE YOU SMILE. Make me happy make
Me proud, WHEN I SEE YOU SMILE

Don't you cry. Rainy days are over now.
Futures bright and joyful,
Carefree. Believe me.
Show me how, your pretty face looks with a smile.
Bring the sunshine back
Where clouds were.

You can make the world go round.
WHEN I SEE YOU SMILE. Make me happy make
Me proud, WHEN I SEE YOU SMILE.
You can make the world go round.
WHEN I SEE YOU SMILE. Make me happy make
Me proud, WHEN I SEE YOU SMILE
