## Pay to Cum

**Bad Brains** 

I make decision with precision Lost inside this manned collision Just to see that what is to be Perfectly my fantasy

I came to know with now dismay
That in this world we all must pay
Pay to write, pay to play
Pay to cum, pay to fight

And all in time, With just our minds We soon will find What's left behind

Not long ago when things were slow We all got by with what we know The end is near. Hearts filled with fear Don't want to listen to what they hear

And so it's now we choose to fight
To stick up for our bloody right
The right to sing, the right to dance
The right is ours... We'll take the chance

A peace together A piece apart A piece of wisdom From our hearts
