

# Dance With the Devil

Bad Company

With just one look my body shook  
You made me ache, shiver and shake  
My blood is hot, I'm in a trance  
For what you've got I wanna take a chance

Dance with the devil  
I want ya, yes I do  
Dance with the devil  
And the devil is you

My mind's on a twist I can't resist  
Your sugar thighs got me hypnotized  
I'm obsessed, I want to possess your love tonight

I wanna dance with the devil  
I want ya, yes I do  
Dance with the devil  
And the devil is you

Baby, I'd sell my soul  
To hold you tight tonight  
And never let go  
No no no no no no no

I wanna dance with the devil  
I want ya, yes I do  
Dance with the devil  
And the devil is you  
And the devil is you  
And the devil is you

I wanna dance with the devil  
And that devil is you  
Got me so, so confused
