

Easy On My Soul

Bad Company

Some say love is
Some say what is love
Some say in love is love
When you're around me
I really want to know

Some say life is
Some say what is life
Some say in the life
When you're around me, yeah
I say easy, easy on my soul
Easy, easy on my soul
Easy, easy on my soul

Some say love is
Some say what is love
Some say is love really all around me

I want to tell you my story
I want to tell you I'm flying
Anyway, yeah, yeah, yeah

Ah, ah, ah, ah, ah, ah
Watch me now, all right
Some say love is
Some say what is love
Some say is love really all around me

I want to tell you my story
I want to tell you I'm flying
Anyway, yeah, yeah, yeah
Oh, yeah

Easy, easy on my soul
Easy, easy on my soul
Easy, easy on my soul
Easy, easy on my soul
Oh, yeah

Won't you take it easy, easy
Won't you take it easy, oh yeah
