There's a prophet on a mountain and he's making up dinner With long division and writing crop Anybody can feel like a winner When it's served up piping hot

But the people aren't looking for a handout They're America's working corps Can this be what they voted for?

Let them eat war (2x)That's how to ration the poor Let them eat war (2x)

There's an urgent need to feed Declining pride

From the force to the union shops
The war economy is making new jobs
But the people who benefit most
Are breaking bread with their benevolent hosts

Who never stole from the rich to give to the poor All they ever gave to them was a war And a foreign enemy to deplore

Let them eat war (2x)That's how to ration the poor Let them eat war (2x)

There's an urgent need to feed Declining pride

We've got to kill 'em and eat 'em

Before they reach for their checks

Squeeze some blue collars

Let them bleed from their necks

Seize a few dollars from the people who sweat

Cause it's freedom or death and they won't question it

At a job site the boss is god like

Conditioned workhorses park at a stoplight

Seasoned vets with their feet in nets

A stones throw away from a rock fight

But not tonight, feed 'em death

Here comes another ration (feed them death)
Cause they're the finest in the nation (feed them death)
When there's nothing left to feed them
When it's freedom or it's death

Let them eat war (2x)That's how to ration the poor Let them eat war (2x)

There's an urgent need to feed
