

A Good Life Is the Best Revenge

Ball Park Music

Hear me out your royal highness
I can kill them all with kindness
I won't cause you any trouble
When you wake in the middle of the night

A good life is the best revenge [x4]
You can get

I will stroke my fleshy fingers
On this cardboard box of matches
But I won't cause you any trouble
When you wake in the middle of the night

A good life is the best revenge [x4]
You can get

I made plans with my firearms
And got quotes from a plague of rats
I wished harm with the holy ghost
And I know that I will never get you back

A good life is the best revenge [x4]
You can get
