

# Don't Look at Me Like That

Ball Park Music

Snow-covered peaks, my daydreams fill the streets  
Will I ever feel your touch?  
Noise in the evening, drunk and now defeated  
God I miss your warm, warm skin  
The hands of my other, the blue eyes of my mother  
All my future children's voices  
She split in the centre, thirteen hours later  
Born from all the pain came happiness forever

I gave my bones back to, my tally bones back to the devil  
The devil is the one who gave them to me in the first place  
She doesn't love you, Ned, she never loved you  
You're the devil, the devil is the one who put me here in the first place

I could sign up forever or just a few months  
I really should be happy but I don't know what I want

When I'm out of sight (I'm out of my mind)  
When I'm out of my mind (It's so peaceful)  
Please, please, please, don't look at me like that  
Don't look at me like that  
Don't look at me like that  
Don't look at me like that  
Don't look at me like that
