

A Little Biblical

Band of Horses

Welcome to another world
Look at the water
Look at whatever
Broke the last one apart
and out it back together
it didn't matter.
It's a little biblical
a little bit tragic
maybe fantastic.
Every once in awhile
every little thing, every little thing.

I'm old enough to know
If I'm holding on for something
I'm old enough to see
If I'm not the only one

When we get back to town
back from the islands
back to where I live
Well we need to have a word
a topic to touch on
the topic is touchy
Yea, this is pitiful
a lack of reception
you never listen
I don't need another round
nothing is perfect
this isn't worth it

I'm old enough to know
If I'm holding on for something
I'm old enough to see
If I'm not the only one

Yea, smashed it apart
and the rains wouldn't start
till everybody was gone
moving on to the next one

I'm old enough to know
If I'm holding on for something
I'm old enough to see
If I'm not the only one
