

# Can't Stop The Night

Bang Camaro

We're wide awake, it's only four  
The night is ours and we want more

One for the road, or make that two  
We'll let you know when we are through

(You) Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the night

It's rock 'n' roll, not Sunday School  
It's Friday night, there are no rules

Don't be a drag, don't bring us down  
Just loosen up, you'll come around

(You) Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the night

Hey, hey, hey, hey  
Hey, hey, hey

Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night

Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the, can't stop the night  
Can't stop the night
