She gave it all
You gave her shit
She coulda done just anything
Or anyone
Cause she's a goddess
You never got this

You put her down
You liked her hopeless
To walk around
Feeling unnoticed
You should crowned her
Cause she's a goddess
You never got this

Now you gotta deal with this glitch on your shoulder Fuckin' with a goddess and you get a little colder Yeah it's colder colder Fuckin' with a goddess and you get a little colder

Finally surfaced
Above the downs
Feeling her boldest
She came around
Cause she's a goddess
Finally saw this

And and now your back
Trying to claim her cause she is gone
And now without her you all alone
Cause she's a goddess you should saw this

Now you gotta deal with this glitch on your shoulder Fuckin' with a goddess and you get a little colder Yeah it's colder colder Fuckin' with a goddess and you get a little colder

Now you gotta deal with this glitch on your shoulder Fuckin' with a goddess and you get a little colder Yeah it's colder colder

Fuckin' with a goddess and you get a little colder

Now you gotta deal with this glitch on your shoulder Fuckin' with a goddess and you get a little colder Yeah, colder, colder

Fuckin' with a goddess and you get a little colder
