

Hawaiian Mazes

Banks

I wanna meet tomorrow
Yesterday made me a fool today
I tried my best to follow
But you moving too fast on ya daddy long legs

You say I'm destined to live in stories
I can't let go 2008
You say my nostalgia grows when I don't even know
That the way you're proposing to say my name

I gotta let you go
I'm letting you know
I gotta let you go
Baby now I know

You think about our ending
I think about when I met you though
Dad says I'm just pretending
Said that I'm just scared that I'll end up alone

I walked around the Hawaiian mazes
I didn't care I forgot my bra
'Cause the dragon teeth ain't worried
About letting go of the tightness I hold on the rope like a soldier

I gotta let you go
I'm letting you know
I gotta let you go
Baby now I know

I make myself believe that I can go
'Cause we been up and over then below
For heaven sake
Would you leave
Shut the door
Let me go
Let you know why

It's gonna take a minute to unfold
The way that I've been feelings overtold
Telling me why you left and then complain you're alone and I don't know why
But babe it was something bout the way you loved me

Now I don't know
Now I don't know me anymore
I'm letting go
And you don't have to tell me twice
And you should know
I never needed your advice
I shoulda known back then
Now I know it's right

I gotta let you go
I gotta let you go
I gotta let you go
I gotta let you go
