

Weaker Girl

Banks

Tell me what you want from me
I think you need a weaker girl
Kind of like the girl I used to be
Yeah, yeah, yeah, yeah, yeah, yeah, yeah
I'ma let you do what you wanna do
I'ma let you say what you wanna say
'Cause I'ma need a bad motherfucker like me

I let you go
You can tell 'em something 'bout the way you moved on
I let you go
Tell 'em you were mad about the way I grew strong
Oh, nah, nah
I think you need a weaker girl, yeah
'Cause I'mma need a bad motherfucker like

I'ma need a bad, I'ma need a bad
I'ma need a bad, I'ma need a bad
Motherfucker like me, hey, hey
Motherfucker like me, hey, hey
I'ma need a bad, I'ma need a bad
I'ma need a bad, I'ma need a bad
Motherfucker like me, hey, hey
Motherfucker like me, hey, hey

Tell me where you wanted to go
I bet you wanted me to follow
Kinda like the girl I used to be
Yeah yeah, yeah, yeah, yeah, yeah, yeah
I'ma let you know what you don't wanna know
We just gonna see what we gonna see
'Cause I'ma need a bad motherfucker like me

I let you go
You can tell 'em something 'bout the way you moved on
I let you go
Tell 'em you were mad about the way I grew strong
Oh, nah, nah
I think you need a weaker girl, yeah
'Cause I'ma need a bad motherfucker like me
Like, me
I think you need a weaker girl, yeah
'Cause I'ma need a bad motherfucker like

I'ma need a bad, I'ma need a bad
I'mma need a bad, I'ma need a bad
Motherfucker like me, hey, hey
Motherfucker like me, hey, hey
I'ma need a bad, I'ma need a bad
I'ma need a bad, I'ma need a bad
Motherfucker like me, hey, hey
Motherfucker like me, hey, hey

I'ma need a bad, I'ma need a bad
I'ma need a bad, I'ma need a bad
Motherfucker like me, hey, hey
Motherfucker like me, hey, hey

I'ma need a bad, I'ma need a bad
I'ma need a bad, I'ma need a bad
Motherfucker like me, hey, hey
Motherfucker like me, hey, hey
