

## Ever Fallen In Love

**Banner Pilot**

You spurn my natural emotions  
You make me feel like dirt - and that hurts  
And if I start a commotion  
I run the risk of losing you - and that's worse

Ever fallen in love with someone  
Ever fallen in love with someone  
Ever fallen in love with someone  
You shouldn't have fallen in love with

I can't see much of a future  
Unless we find out what's to blame - what a shame  
And we won't be together much longer  
Unless we realize that we are the same
