## I Should've Never Let You Go

Oh, Oh, Oh, Oh, Oh, I, Oh, Oh, Oh, I. Oh, Oh, Oh, Oh, Oh, I, Oh, Oh, Oh, I. Seems we played a game, but lost along the way, Somewhere we went wrong, I didn't have a clue. Should've never let you go, baby don't you know, It was all in my mind, was I such a fool. To let you get away and now everyday, There's nothing to defend. My head was in the clouds and when I look around, I won't give up - till you come back again .. If I could turn back time, I never would've thought, That I could lose you boy but now I know, I should've never let you g ο. If I could have one wish, I'll be the first to tell you, This is never what I wanted, no, I should've never let you go. Oh, Oh, Oh, Oh, Oh, I, Oh, Oh, Oh, I. I was confident, thought you were content, How did we go wrong and now what can I do? Should've never let you go, baby don't you know, My tears are on the inside, how can it be true. I let you get away, and now everyday, There's nothing to defend. My head was in the clouds and when I look around, I won't give up - till you come back again. If I could turn back time, I never would've thought, That I could lose you boy but now I know, I should've never let you g Ο. If I could have one wish, I'll be the first to tell you, This is never what I wanted, no, I should've never let you go. Oh, Oh, Oh, Oh, Oh, Oh, Oh, Oh, I no, no, no. I should've never let you go. Oh, Oh, Oh, Oh, Oh, Oh, Oh, Oh, Oh, I should've never, should've never let you go, I should've never let you go. Should've never, should've never let you go, let you go. Oh baby, oh baby, don't you know, don't you know, I won't give up, no, no, no - till you come back again. If I could turn back time, I never would've thought, That I could lose you boy but now I know, I should've never let you g ο. If I could have one wish, I'll be the first to tell you, This is never what I wanted, no, I should've never let you go. If I could turn back time, I never would've thought, That I could lose you boy but now I know, I should've never let you g ο.

If I could have one wish, I'll be the first to tell you,
