

Alcohol

Barenaked Ladies

Alcohol, my permanent accessory
Alcohol, a party-time necessity
Alcohol, alternative to feeling like yourself
O Alcohol, I still drink to your health

I love you more than I did the week before
I discovered alcohol

Forget the caffe latte,
screw the raspberry iced tea
A Malibu and Coke for you, a G&T for me
Alcohol, Your songs resolve like
my life never will
When someone else is picking up the bill

I love you more than I did the week before
I discovered alcohol
O Alcohol, would you please forgive me?
For while I cannot love myself
I'll use something else

I thought that Alcohol was just for those with
nothing else to do
I thought that drinking just to get drunk
was a waste of precious booze
But now I know that there's a time
and there's a place where I can choose
To walk the fine line between
self-control and self-abuse

I love you more than I did the week before
I discovered alcohol
Would you please ignore that you
found me on the floor
Trying on your camisole?
O Alcohol, would you please forgive me?
For while I cannot love myself
I'll use something else

Would you please forgive me?
Would you please forgive me?
