

## Eraser

## Barenaked Ladies

Eraser, eraser, eraser

I draw it with a pencil because it's just a stencil  
And if I do retry it, well then I can't deny it  
I'm gonna need my little eraser

Eraser, eraser, eraser  
Eraser, eraser, eraser  
Eraser

I might have to redo it, I might have to work through it  
But I try not to chew it 'cause I just shouldn't do it  
'Cause I might need my little eraser

If I wrote you a letter but I made an error  
I could fix it and make it better  
If I make an error I can always make it better with my eraser  
Eraser, eraser, eraser

Eraser, eraser, eraser  
Eraser, eraser, eraser  
Eraser, eraser, eraser

Erasure, erasure, erasure, erasure  
Erasure, erasure, erasure, erasure
