

## Four Seconds

## Barenaked Ladies

Goes to show  
It's not what you know  
(But) who you know  
So's, you know  
I can go with the flow  
Build my note  
Then throw to snow  
Before the show  
Stay low  
Play it on a Dobro  
Oh, I tiptoe to and fro  
From Ontario  
My stereo's blue like the rodeo  
Growing like a freak show free throw  
It's just the intro  
Keep dropping like dominoes

One Mississippi, two Mississippi, three Mississippi, four

Now rewind  
What'd you have in mind?  
Could we unwind?  
I'm fine  
We can find a streamline  
Recombine - intertwine  
If I'm gonna headline  
Tryin' to be moving all the behinds  
Line to line  
Try to shine  
Redesigned - redefined  
Keeping up the spellbind  
Gotta make it worth the grind  
Just in time to have another close encounter of the third kind

One Mississippi, two Mississippi, three Mississippi, four

I've been away four years and a day  
You'd be thinking I'd be lonely  
But I'm out here to stay  
Wouldn't have it any other way

Oh flip, the light is turning orange  
Coat ripped when I caught it in the door hinge  
I slip when the lady in the four-inch  
Bought it in a store in Germany  
You wore it like a makeshift snowdrift  
Had to get a gift  
Saw the red shift rift  
Gretta got an eyelift  
Oh sure, that one's obscure  
Maybe piss-poor, but I had to take a little detour

I've been away four years and a day  
You'd be thinking I'd be lonely  
But I'm out here to stay  
Wouldn't have it any other way

One Mississippi  
Two Mississippi  
Three Mississippi  
Four
