

## Raisins

## Barenaked Ladies

Raisins come from grapes  
People come from apes  
I come from Canada  
I came in first place  
In a nonexistent race  
To rebuild the Parthenon

The Parthenon's in Greece  
Or was it in Grease 2?  
I can't keep my movies straight  
When I make mistakes  
I use a lot of salt  
Cause salt makes m'steaks taste great

I don't want to be a bother  
But I think the phone's for you

I've got orange pants  
I wear them when I dance  
But I don't get out that much  
You are just too loud  
I passed you in a crowd  
Thank you and keep in touch

I don't speak Chinese  
Not even words like "please,"  
"Thank you," or "how are you"  
But I can Parle Francais  
I parled a bit today  
It seemed like the thing to do

I don't want to be a bother  
But I think you're in my seat
