

Shopping

Barenaked Ladies

Well you know it's going to be all right
I think it's going to be alright
Everything will always be all right
When we go shopping
Well you know it's going to be all right
When we go shopping

It's always
Let the shopping spree begin
Everybody wins

So shut up
And never stop
Let's shop
until we drop

Well you know that it's going to be all right
I think it's going to be all right
Everything will always be all right
When we go shopping

It's always
Let the shopping never end
Shopping with our friends
Shopping once again

It's always
It's always

It's never enough until you've got all the stuff
When the going gets rough
Just shop with someone tough

Well you know it's going to be all right
I think it's going to be all right
Everything will always be all right
When we go shopping
Well you know that it's going to be all right
I think it's going to be all right
Everything will always be all right
When we go shopping

It's always
When we go shopping (3x)
It's always ...
