

Goodnight

Barney

Goodnight, goodnight
Goodnight, little one
Your day was fun
But now it's time to close your eyes

Goodnight
(Goodnight)
Goodnight
(Goodnight)

Sleep tight, little one
The night has come
And it's time to dream your dreams

Goodnight
(Goodnight)
Goodnight
(Goodnight)

Goodnight, little one
It's time for rock-a-byes
Until the morning comes
Just close your pretty eyes and sleep
