

The Rainbow Song

Barney

I like red it's the color of an apple
Orange it's the color of an orange
Yellow it's a lemon and a beautiful sun sun sun
Green it's the color of the trees and lots of things that grow
And then there's blue for the sky
And purple that's a color that's fun fun fun
When you put these colors side by side
What do you think we've done
we've made a rainbow And it's a really beautiful one!
