

# Time And Tide

Basia

It's hard for me to stop my heart  
Love never knows when the time is right  
I don't want to hurt anybody but  
Can't help loving you

I never felt like this before  
I know this is special worth waiting for  
Let life take its course  
That's the only thing for us to do

We've got time, oh baby  
There's no rush gonna be a better day for us  
Hang on and I will wait for you  
Our love will always stay as good as new

Time and tide, nothing and no one  
Can stop us now, for better, for worse  
This time I'm sure it's gonna last

How can I stop my heart?  
Love never knows when the time is right  
Don't want to hurt anybody  
Don't want to make them cry  
Don't want to make them cry

We've got time, oh baby  
There's no rush gonna be a better day for us  
Hang on and I will wait for you  
Our love will always stay as good as new

It's a matter of time  
Only a matter of time  
It's a matter of

Time and tide, nothing and no one  
Can stop us now, for better, for worse  
This time I'm sure it's gonna last  
It's gonna last forever

We've got time, oh baby  
There's no rush gonna be a better day for us  
Hang on and I will wait for you  
Our love will always stay as good as new  
Yeah, our love will always stay as good as new

We've got time, oh baby  
There's no rush gonna be a better day for us  
Hang on and I will wait for you
