

## Too Much 21st Century

Bauhaus

They all wanna be something better  
A better singer  
A better actor  
Better job

Better money  
Better get her  
Better lover  
Better not

Too much luck  
Too much conceit  
Give me one religion  
It's too much  
too much passion, information

Too much selfish  
Too much fake  
Too much computer  
Too much to take  
It's too much

Too much effort  
Too much pig  
Too much control, control  
It's too much

They all wanna be something better  
A better singer  
A better actor  
Better job

Better money  
Better get her  
Better lover  
Better not

Really, a better human  
It's too much  
It's too much  
Ah yeah, ah yeah
