Too Much 21st Century

They all wanna be something better A better singer A better actor Better job Better money Better get her Better lover Better not Too much luck Too much conceit Give me one religion It's too much too much passion, information Too much selfish Too much fake Too much computer Too much to take It's too much Too much effort Too much pig Too much control, control It's too much They all wanna be something better A better singer A better actor Better job Better money Better get her Better lover Better not Really, a better human It's too much It's too much Ah yeah, ah yeah
