

Money Honey

Bay City Rollers

Money-can't make you turn your head now
Money-can't get you into bed now
Money, Honey-can't give more than you get now.
Money Honey you aint' got no respect
But I like to watch you lust to see what you can get
And Money Honey gets you breakfast in bed
And Money Honey, oh you drive me out my head.
Living like a princess with a frown
Giving-I can't afford to cry on
Money, Honey, hey, girl come on, don't bring me down.
Money Honey you ain't got no respect ...
Money-must it buy all I can get now
Money-without it how far will I get now
Money, Honey, hold it you'd be losing my respect now.
Money Honey you ain't got no respect...
