Beach Boys

The night has come Cuddle up to me Keep warm Mmm close to me

In dreams
We'll dream
Making love to wake
To find
Mmm we're still one

Your love
Your love
Your love
Your love for me
Is so
Warm and good to me
Growing every day
Honey
Honey
I'm in love

00000

I know a man Who's so in love Mm mm

The night
Has come
Cuddle up
To me
Keep warm
Mm close to me

Your love
Your love
Your love
Your love for me
Is so warm and good to me
Growing every day
Honey
Honey
I'm in love

00000 0000 00000000

I know a man Who's so in love Mm mm
