

Make It Good

Beach Boys

Look at me
Funny face
That's not you
A wrinkled nose
A tear
You're crying

Oh
Rest your head
Cry on me
Don't be afraid
I'll stay with you
I know you'll make it
And you'll make it good
And you'll make it good
And you'll make it good

All of my life
I haven't known much
All I know
Is what I feel
And what I feel
And what I feel
Love
I'm in love
Love
Love

Ooo
