

# The Larry Routine

**Beastie Boys**

Oh, this routine dates way back  
A lot of people may remember this routine  
but it's evolved, now  
Yeah from the summer before last

Well my names Mike D and I got a new name  
And that new name is - LARRY!!

Well my name is Ad Rock, and then I got a new name  
And my new name is - HARRY!!

Well my name is MCA, but I got a new name  
And that new name is - GARY!!

But our DJ's name has stayed the same  
Cause his new name is - BARRY!!
