

## Ask Me Why

The Beatles

1. I love you cos you tell me things I want to know  
and it's true that it really only goes to show that I know  
that I I I I would never never never be blue.

2. Now you're mine my happiness near makes me cry  
and in time you'll understand the reason why if I cry  
it's not because I'm sad  
but you're the only love that I've ever had.

R: I can't believe it's happened to me  
I can't conceive of any more misery.  
Ask me why I'll say I love you  
and I'm always thinking of you.
