## **Ask Me Why**

## The Beatles

- I love you cos you tell me things I want to know and it's true that it really only goes to show that I know that I I I would never never be blue.
- 2. Now you're mine my happiness near makes me cry and in time you'll understand the reason why if I cry it's not because I'm sad but you're the only love that I've ever had.
- R: I can't believe it's happened to me I can't conceive of any more misery. Ask me why I'll say I love you and I'm always thinking of you.
