## The Beatles

- I was alone I look a ride
  I didn't know what I would find there
  another road where maybe
  I could nee another kind of life there.
  - Oh then I suddenly see you oh did I tell you I need you every single day of my life?
- 2. You didn't run you didn't lie you knew I wanted just to hold you and had you gone you knew in time we'd meet again for I'd have told you.
  - Oh you were meant to be near me oh and I want you to hear me say we'll be together every day got to get you into my life!
- 3. What can I do what can I be when I'm with you I want to stay there if I'm true I'll never leave and if I do I know the way there.
  - Oh then I suddenly see you oh did I tell you I need you every single day of my life got to get you into my life got to get you into my life!
- 4. I was alone I look a ride I didn't know what I would find there another road where maybe I could nee another kind of life there.
