

# Beautiful You

Bebo Norman

I can't stand the sound  
Of losing control  
But whenever you're around  
I can't find the breath to speak at all

I need you to be careful with me

Please don't go away  
Please don't leave me here  
I know if you don't stay  
My heart will disappear  
I need beautiful you

Your love brings me in  
And swallows me whole  
But underneath your skin  
Is the only peace I know

All that I need is you here with me

Please don't go away  
Please don't leave me here  
I know if you don't stay  
My heart will disappear  
I need beautiful you
