

Drifting

Bebo Norman

Sometimes when I'm all alone
I don't know if I can take another breath
Some say home is where the heart is
Tell me where my home is 'cause I'm scared to death

Falling from the rooftop, crashing like a raindrop
Can you make my heart stop shaking like a leaf?
Standing at the floodgate, steady as an earthquake
Can you hear my heart break tearing at the seams?

I am drifting in the deep end
Holding on to your hand is all that saves me now
Life can treat you like a beggar
You hold me together, but I don't know how

Falling from the rooftop, crashing like a raindrop
Can you make my heart stop shaking like a leaf?
Standing at the floodgate, steady as an earthquake
Can you hear my heart break tearing at the seams?

Some say home is where the heart is
And my heart is in your hands, you are all I need

Rising from the ashes, lifted from the madness
Now you see my heart is deep enough to dream
Heal me from the deathblow, lead and I will follow
Now you feel my heart glow mending at the seams

I am drifting in the deep end
I am drifting in the deep end

Rising from the ashes, lifted from the madness
Now you see my heart is deep enough to dream
Heal me from the deathblow, lead and I will follow
Now you feel my heart glow mending at the seams

Rising from the ashes, lifted from the madness
Now you see my heart is deep enough to dream
Heal me from the deathblow, lead and I will follow
Now you feel my heart glow mending at the seams

I am drifting in the deep end
I am drifting in the deep end
I am drifting in the deep end
